

MUHAMMAD RIZKI RAMADHAN

Full-Stack Web Developer | IT Support Specialist | Creative Designer

Kuningan, West Java, Indonesia

+628987982807

Portfolio: <https://www.kudukuats.my.id/>

<https://www.linkedin.com/in/muhammad-rizki-ramadhan-5a243b349/>

Full-Stack Web Developer with 3 years of experience building dynamic and responsive web applications using HTML, CSS/Tailwind, JavaScript, TypeScript, React.js, Next.js, Node.js (Express), and PHP. Strong technical foundation in IT Support, including hardware/software troubleshooting, network maintenance, and system administration.

With over 5 years of experience in graphic design and video editing, I bring a unique combination of development, IT support, and creative skills. Proven ability to deliver end-to-end projects—from UI/UX planning, workflows, and development, to deployment and content creation. Comfortable working independently, collaboratively, onsite, or fully remote with international clients.

Education Level

Kuningan University — Bachelor of Information Systems

Faculty of Computer Science | Aug 2018 – Feb 2023 | GPA: 3.22

- Final Project: Development of an E-Commerce Web Application
